**I. Equal Employment Opportunity (EEO) Policy Statement (41 CFR 60-300.44(a))**

The *EEO Policy Statement* on the following page is posted on our company's bulletin board along with our required employment posters and is viewable by both employees and applicants. The *EEO is the Law* poster is also posted on our company's bulletin board as well as made available electronically through our company website for viewing by online applicants.

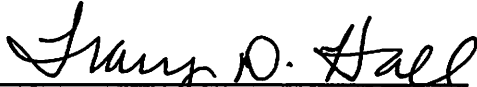

**Southwest Tennessee Community College  
EQUAL EMPLOYMENT OPPORTUNITY POLICY STATEMENT**

It is the policy of Southwest Tennessee Community College not to discriminate against any employee or applicant for employment because of his or her race, color, religion, sex, sexual orientation, gender identity, national origin, or because he or she is an individual with a disability or disabled veteran, Armed Forces service medal veteran, recently separated veteran, or active duty wartime or campaign badge veteran, or thereafter referred collectively as "protected veterans." It is also the policy of Southwest Tennessee Community College to take affirmative action to employ and to advance in employment, all persons regardless of their status as individuals with disabilities or protected veterans, and to base all employment decisions only on valid job requirements. This policy shall apply to all employment actions, including but not limited to recruitment, hiring, upgrading, promotion, transfer, demotion, layoff, recall, termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship, at all levels of employment. Furthermore, the company will provide qualified applicants and employees who request an accommodation due to a disability with reasonable accommodations, as required by law.

Southwest Tennessee Community College prohibits harassment of employees and applicants because they are individuals with disabilities or protected veterans. Southwest Tennessee Community College also prohibits retaliation against employees and applicants for filing a complaint, opposing any discriminatory act or practice, assisting or participating in any manner in a review, investigation, or hearing or otherwise seeking to obtain their legal rights under any Federal, State, or local EEO law requiring equal employment opportunity for individuals with disabilities and protected veterans. Prohibited retaliation includes, but is not limited to, harassment, intimidation, threats, coercion or other adverse actions that might dissuade someone from asserting their rights.

As President of Southwest Tennessee Community College, I am committed to the principles of affirmative action and equal employment opportunity. In order to ensure dissemination and implementation of equal employment opportunity and affirmative action throughout all levels of the company, I have selected Steven Massie as the Executive Director of HR & AA for Southwest Tennessee Community College. One of the Executive Director of HR & AA's duties will be to establish and maintain an internal audit and reporting system to allow for effective measurement of Southwest Tennessee Community College's programs.

In furtherance of Southwest Tennessee Community College's policy regarding affirmative action and equal employment opportunity, Southwest Tennessee Community College has developed a written Affirmative Action Program (AAP) which sets forth the policies, practices and procedures that Southwest Tennessee Community College is committed to in order to ensure that its policy of nondiscrimination and affirmative action for qualified individuals with disabilities and qualified protected veterans is accomplished. This AAP is available for inspection by any employee or applicant for employment upon request between 9:00 AM to 4:00 PM at the Human Resources department. Any questions should be directed to me, your supervisor, or Steven Massie, Executive Director of HR & AA.

## **II. Review of Personnel Processes (41 CFR 60-300.44(b))**

Southwest Tennessee Community College complies with the requirement to “periodically review” its personnel processes by reviewing these processes annually to determine whether its present procedures assure careful, thorough, and systematic consideration of the qualifications of known protected veterans. As part of this review, Southwest Tennessee Community College also ensures that its personnel processes do not stereotype protected veterans in a manner which limits their access to all jobs for which they are qualified. This review covers all procedures related to the filling of job vacancies either by hire or by promotion, as well as to all training opportunities offered or made available to employees.

The following is a set of procedures which may be used to meet the requirements of §60-300.44(b):

1. Applicant records are maintained which indicate whether or not an applicant self-identified as a protected veteran. This information can be retrieved for review by the Department of Labor and the contractor's personnel officials for use in investigations and internal compliance activities.
2. Records are maintained which indicate employees considered for competitive promotions within the organization. Employees are given the opportunity to voluntarily self-identify protected veteran status.
3. Records are maintained regarding training opportunities granted to employees which include whether or not the employee has self-identified as a protected veteran.
4. Any time a known protected veteran applicant or employee is rejected for employment, promotion, or training, the company prepares a statement outlining the reason.
5. Requests for accommodation due to a disability are maintained along with the nature of the request and whether or not the accommodation was granted. If the accommodation was denied, the company prepares a statement describing the reason for denying the accommodation request. All accommodation records are treated as a confidential medical record in accordance with §60-300.23(d).

### **III. Review of Physical and Mental Job Qualification Standards (41 CFR 60-300.44(c))**

Southwest Tennessee Community College reviews the physical and mental job qualification standards of each job opening before it is publicly or internally posted to ensure that, to the extent that such qualification requirements tend to screen out qualified disabled veterans, they are related to the job(s) in question and consistent with business necessity and the safe performance of the job. The physical and mental qualifications are also reviewed as new jobs are established or job requirements are modified.

All job qualification requirements were found to be job related and consistent with business necessity and safety. Southwest Tennessee Community College will continue to review physical and mental job qualification requirements whenever a job vacancy will be filled through either hiring or promotion and will conduct a qualifications review whenever job duties change.

If Southwest Tennessee Community College at any time should inquire into an applicant's physical or mental condition or should conduct a medical examination, such inquiries or exams will be conducted in accordance with the VEVRAA regulations and the information obtained as a result of the inquiry or exam will be kept confidential, except as otherwise provided for in the VEVRAA regulations. The results of the examination or inquiry will only be used in accordance with the VEVRAA regulations.

#### **IV. Reasonable Accommodation to Physical and Mental Limitations (41 CFR 60-300.44(d))**

Southwest Tennessee Community College will continue its longstanding commitment to making reasonable accommodation to the known physical or mental limitations of qualified disabled veterans unless doing so would impose an undue hardship on the operation of its business. The company also commits to engaging in an interactive process with the person requesting the accommodation (or the person's representative), as needed, to determine an appropriate accommodation.

If an employee who is known to be a qualified disabled veteran is having significant difficulty performing his or her job and it is reasonable to conclude that the performance problem may be related to the known disability, the manager or appropriate HR personnel will confidentially notify the employee of the performance problem and inquire whether the problem is related to the employee's disability. If the employee indicates that the performance problems are related to his or her disability, the employee is asked if reasonable accommodation is needed.

In determining the extent of the company's accommodation obligations, the following factors are considered:

1. Business necessity; and
2. Financial cost and expense.

Southwest Tennessee Community College will also ensure that all requests for reasonable accommodation and any medical or disability-related information provided to Southwest Tennessee Community College will be treated as confidential medical records and maintained in a separate medical file.

## **V. Anti-Harassment Procedures (41 CFR 60-300.44(e))**

Employees and applicants of Southwest Tennessee Community College will not be subject to harassment because of protected veteran status. Retaliation, including intimidation, threat, coercion, or discrimination, against an employee or applicant because they have objected to discrimination, engaged or may engage in filing a complaint, assisted in a review, investigation, or hearing or have otherwise sought to obtain their legal rights under any Federal, State, or local EEO law regarding protected veterans is prohibited. Any employee or applicant who believes that he or she has been subject to retaliation should promptly contact a manager in their chain of command, or promptly contact the EEO Coordinator for assistance.

This policy is made available for employees and applicants to view. Furthermore, Southwest Tennessee Community College monitors its environment for the presence of any forms of harassment, intimidation, or coercion and, where warranted, takes corrective action.

**VI. External Dissemination of Policy, Outreach, and Positive Recruitment  
(41 CFR 60-300.44(f))**

Southwest Tennessee Community College undertakes appropriate outreach and positive recruitment efforts in order to effectively attract protected veterans. In order to comply with the external dissemination of the EEO and Affirmative Action policy, the company provides written or electronic notification to all current subcontractors, vendors, and suppliers and will continue to do so on an annual basis. The company will also provide such notification to new subcontractors, vendors, and suppliers upon entering into a relationship with them. Southwest Tennessee Community College has informed its recruiting sources, including State employment agencies and local employment service delivery systems, of the company's policy concerning the employment of qualified protected veterans and will notify them of employment opportunities as they become available. Southwest Tennessee Community College requested all recruiting sources to actively recruit and refer qualified persons for job opportunities. Southwest Tennessee Community College will include the equal opportunity clause concerning the employment of qualified protected veterans in all non-exempt subcontracts and purchase orders. See Appendix A for detailed information regarding our outreach and positive recruitment activities during the AAP year.

## **VII. Internal Dissemination of Policy (41 CFR 60-300.44(g))**

Southwest Tennessee Community College has developed internal procedures to communicate its obligation to engage in affirmative action efforts to employ and advance in employment qualified protected veterans. Procedures are designed to foster understanding, acceptance, and support among all employees and to encourage them to help Southwest Tennessee Community College meet this obligation.

The company realizes that an outreach program is ineffective without the adequate internal support from management personnel and other employees. In order to ensure greater employee cooperation and participation in the company's affirmative action efforts, Southwest Tennessee Community College has adopted policies and engaged in activities which are not limited to the following:

1. Copy of our AAP for Protected Veterans is available for inspection to any employee or applicant upon request;
2. *EEO Policy Statement* and the *EEO is the Law* poster are placed on bulletin boards located throughout our facilities and work areas;
3. Electronic versions of the *EEO Policy Statement* and the *EEO is the Law* poster are clearly labeled and posted on the company's intranet;
4. Meetings with executive, management, and supervisory personnel are held to explain the intent of the policy and individual responsibility for effective implementation;
5. Managers and supervisors are provided with affirmative action and EEO training upon commencement of their management roles;
6. Policy is discussed during employee orientation;
7. Union officials and/or employee representatives are informed of these policies;
8. When employees are featured in publications, protected veterans are included when available.

## **VIII. Audit and Reporting Systems (41 CFR 60-300.44(h))**

The Executive Director of HR & AA has the responsibility for the preparation and implementation of the AAP. Responsibility for the effective implementation of the AAP is also vested with each department manager and supervisor.

The following activities are reviewed at least annually to ensure freedom from discrimination against, or stereotyping of, protected veterans in any manner. The results of the most recent self-audit are included in Appendix B. During the self-audit, the following activities are reviewed:

1. Recruitment, advertising, and job application procedures;
2. Implementation of hiring, promotion, upgrading, award of tenure, layoff, and recall from layoff;
3. Rates of pay and any other forms of compensation including fringe benefits;
4. Job assignments, job classifications, job descriptions, and seniority lists;
5. Awarding of sick leave, leaves of absence, or implementation of any other leave policies;
6. Participation in training, mentoring, or apprenticeship programs, and attendance at professional meetings and conferences; and
7. Application of any other term, condition, or privilege of employment, including participation in company-sponsored educational, training, recreational, and social activities.

Southwest Tennessee Community College's audit system includes periodic reports provided by Executive Director of HR & AA documenting any efforts to achieve its EEO/AAP responsibilities. Managers and supervisors are asked to report any current or foreseeable EEO problem areas and are asked to outline their suggestions/recommendations for solutions.

The following documents are maintained as a component of Southwest Tennessee Community College's internal audit process: documentation of self-audit; summary data of personnel activity including external job offers and hires, promotions, resignations, terminations, and layoffs by job group relating to protected veterans; and an applicant flow log showing the name, race, ethnicity, sex, disability status, veteran status, date of application, job title, and action taken for all individuals applying for job opportunities.

**I. Establishment of Responsibilities for Implementation of the Written Affirmative Action Program (41 CFR 60-2.17(a))**

**A. Designation of Responsibilities of AAP Administrator (41 CFR 60-2.17(a))**

Steven Massie, the Executive Director of HR & AA, has the primary management responsibility, authority, and resources for ensuring full compliance with the provisions of E.O. 11246, as amended, and with implementing all applicable regulations. The Executive Director of HR & AA's appointment and a description of the position's basic responsibilities have been communicated to all levels of personnel in the company. The responsibilities of the Executive Director of HR & AA include, but are not necessarily limited to, the following:

1. Developing EEO policy statements, Affirmative Action Programs, and internal and external communication procedures;
2. Assisting in the identification of AAP/EEO problems;
3. Assisting management in arriving at effective solutions to AAP/EEO problems;
4. Designing and implementing an internal audit and reporting system that:
  - a. Measures the effectiveness of the Affirmative Action Program;
  - b. Determines the degree to which AAP goals and objectives are met; and
  - c. Identifies the need for remedial action
5. Keeping company's management informed of equal opportunity progress and reporting potential problem areas within the company through reports;
6. Reviewing the company's AAP for qualified minorities and women with all levels of management to ensure that the policy is understood and is followed in all personnel activities;
7. Auditing the contents of the company's bulletin board to ensure compliance information is posted and up-to-date; and
8. Serving as liaison between Southwest Tennessee Community College and enforcement agencies.

**B. The Responsibilities of the Company's Management to Ensure Implementation of the AAP (41 CFR 60-2.17(a))**

In implementing this written Affirmative Action Program, the responsibilities of the company's supervisors and managers working with the Executive Director of HR & AA include, but are not necessarily limited to, the following:

1. Assisting in the identification of problem areas, formulating solutions, and establishing departmental goals and objectives when appropriate;
2. Reviewing the qualifications of all applicants and employees to ensure qualified individuals are treated in a nondiscriminatory manner when hiring, promotion, transfer, and termination actions occur; and
3. Reviewing the job performance of each employee to assess whether personnel actions are justified based on the employee's performance of his or her duties and responsibilities.

## **II. Identification of Problem Areas (41 CFR 60-2.17(b))**

Southwest Tennessee Community College performs in-depth analysis of its total employment process to determine if there are areas where minority and/or female groups may face impediments to equal opportunity. The following analyses are conducted in order to reveal any potential problem areas:

1. **Placement Goals:** An analysis of incumbency versus availability is performed to determine whether there are problems of minority and/or female utilization. Whenever a problem exists, as defined by a statistical methodology, Placement Goals are set (see the Placement Goals report which follows this section).

Whether there are Placement Goals or not, steps will be taken to encourage and increase the percentage of qualified minorities and/or females applying for positions both externally and internally. These steps may include, but are not limited to the following:

- Working with hiring managers and recruiters to determine appropriate outreach to attract qualified applicant pools;
- Recruiting at colleges and universities with a significant percentage of minority and/or female students;
- Publishing job advertisements in newspapers and/or magazines that target minorities and/or females;
- Offering mentorship programs for minority and/or female employees;
- Offering job training to minorities and/or females currently employed by the company in order to increase their chances of advancement;
- Offering tuition reimbursement to employees to obtain training that will increase their chances of advancement;
- Using recruitment companies that specifically target minorities and/or females; and
- Continuing to use the services of the respective Employment Service Delivery System.

2. **Review of Employment Decisions:** A review of employment decisions is made in order to determine whether or not minorities and/or females are selected at a less favorable rate than non-minorities and/or males. A review of non-minorities and/or males is also conducted to determine if either group is being selected at a statistically significant lessor rate than minorities and/or females.
  
3. **Review of Hires/Promotions:** Whenever minorities and/or females are selected at a lower rate than non-minorities and/or males, a review of the applicant flow is conducted to determine possible reasons why minorities and/or females were not selected at a more favorable rate. If the company is attracting fewer than expected minorities and/or females that fit the qualifications for the job groups, good faith efforts will be put into place to attempt to improve the applicant flow of qualified minorities and/or females. If non-minorities and/or males are selected at a statistically significantly lessor rate than minorities and/or females, a review of the applicant flow and selection decisions is also made to ensure that there is no evidence of discrimination.
  
4. **Review of Terminations:** For terminations, if minorities and/or females are being involuntarily terminated or are voluntarily leaving at a higher rate than non-minorities and/or males, a review of the employee files will be made to ensure the company is applying its policies and procedures for termination equally for protected as well as non-protected classes. If non-minorities and/or males have a statistically significant higher rate of termination than minorities and/or females, an investigation will also be conducted to determine the cause.
  
5. **Compensation:** Compensation is reviewed at least annually in order to determine if there are significant discrepancies in pay when comparing female to male rates of pay and minority versus non-minority rates of pay. If discrepancies do exist, a thorough review is conducted to determine if the difference in pay is justified due to appropriate factors. If the difference in pay cannot be justified, Southwest Tennessee Community College will put a plan in place to bring pay into greater alignment.

## **V. Internal Audit and Reporting Systems (41 CFR 60-2.17(d))**

The company believes that one of the most important elements in effectively implementing a written Affirmative Action Program is an adequate internal audit and reporting system. Through this system, the total program can be monitored for effectiveness, and management can be kept informed. Southwest Tennessee Community College's audit and reporting system is designed to:

1. Measure the effectiveness of the AAP/EEO program;
2. Document and analyze personnel activities;
3. Identify problem areas and develop action plans where remedial action is needed; and
4. Determine the degree to which AAP goals and objectives have been attained.

The following personnel activities are reviewed, as necessary and desirable, to ensure nondiscrimination and EEO for all individuals without regard to their race, color, gender, religion, national origin, age, sex, sexual orientation, gender identity, pregnancy, genetic information, disability, veteran status, or any other legally protected status covered by applicable state or local law:

1. Recruitment, advertising, and job application procedures;
2. Hiring, promotion, upgrading, layoff, recall from layoff;
3. Rates of pay and any other forms of compensation including fringe benefits;
4. Job assignments, job classifications, job descriptions, and seniority lists;
5. Sick leave, leaves of absence, or any other leave;
6. Training, attendance at professional meetings and conferences; and
7. Any other term, condition, or privilege of employment.

The following documents may be maintained as a component of Southwest Tennessee Community College's internal audit process:

1. An applicant flow log;
2. Summary data of external job offers and hires, promotions, terminations;
3. Summary data of applicant flow;
4. Employment applications; and
5. Records pertaining to company's compensation system and decisions.

Southwest Tennessee Community College's audit system includes periodic review of employment decisions. Managers and supervisors are asked to report any current or foreseeable EEO problem areas and are asked to outline their suggestions/recommendations for solutions. If problem areas arise, the manager or supervisor is to report problem areas immediately to the AAP Administrator. During the reporting cycle, the following occurs:

1. The AAP Administrator will discuss any problems relating to substantial disparate impact, EEO charges, etc., with management; and
2. The AAP Administrator will report the status of the company's AAP goals and objectives to management. The AAP Administrator will recommend remedial actions for the effective implementation of the AAP.

The *EEO Policy Statement* on the following page is posted on our company's bulletin board along with our required employment posters and is viewable by both employees and applicants. The *EEO is the Law* poster is also posted on our company's bulletin board as well as made available electronically through our company website for viewing by online applicants.

**Southwest Tennessee Community College  
EQUAL EMPLOYMENT OPPORTUNITY POLICY STATEMENT**

It is the policy of Southwest Tennessee Community College not to discriminate against any employee or applicant for employment because of his or her race, color, religion, sex, sexual orientation, gender identity, national origin, or because he or she is an individual with a disability or disabled veteran, Armed Forces service medal veteran, recently separated veteran, or active duty wartime or campaign badge veteran, or thereafter referred collectively as "protected veterans." It is also the policy of Southwest Tennessee Community College to take affirmative action to employ and to advance in employment, all persons regardless of their status as individuals with disabilities or protected veterans, and to base all employment decisions only on valid job requirements. This policy shall apply to all employment actions, including but not limited to recruitment, hiring, upgrading, promotion, transfer, demotion, layoff, recall, termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship, at all levels of employment. Furthermore, the company will provide qualified applicants and employees who request an accommodation due to a disability with reasonable accommodations, as required by law.

Southwest Tennessee Community College prohibits harassment of employees and applicants because they are individuals with disabilities or protected veterans. Southwest Tennessee Community College also prohibits retaliation against employees and applicants for filing a complaint, opposing any discriminatory act or practice, assisting or participating in any manner in a review, investigation, or hearing or otherwise seeking to obtain their legal rights under any Federal, State, or local EEO law requiring equal employment opportunity for individuals with disabilities and protected veterans. Prohibited retaliation includes, but is not limited to, harassment, intimidation, threats, coercion or other adverse actions that might dissuade someone from asserting their rights.

As President of Southwest Tennessee Community College, I am committed to the principles of affirmative action and equal employment opportunity. In order to ensure dissemination and implementation of equal employment opportunity and affirmative action throughout all levels of the company, I have selected Steven Massie as the Executive Director of HR & AA for Southwest Tennessee Community College. One of the Executive Director of HR & AA's duties will be to establish and maintain an internal audit and reporting system to allow for effective measurement of Southwest Tennessee Community College's programs.

In furtherance of Southwest Tennessee Community College's policy regarding affirmative action and equal employment opportunity, Southwest Tennessee Community College has developed a written Affirmative Action Program (AAP) which sets forth the policies, practices and procedures that Southwest Tennessee Community College is committed to in order to ensure that its policy of nondiscrimination and affirmative action for qualified individuals with disabilities and qualified protected veterans is accomplished. This AAP is available for inspection by any employee or applicant for employment upon request between 9:00 AM to 4:00 PM at the Human Resources department. Any questions should be directed to me, your supervisor, or Steven Massie, Executive Director of HR & AA.

## **II. Review of Personnel Processes (41 CFR 60-741.44(b))**

Southwest Tennessee Community College complies with the requirement to “periodically review” its personnel processes by reviewing these processes annually to determine whether its present procedures assure careful, thorough, and systematic consideration of the qualifications of known individuals with disabilities. As part of this review, Southwest Tennessee Community College also ensures that its personnel processes do not stereotype individuals with disabilities in a manner which limits their access to all jobs for which they are qualified. This review covers all procedures related to the filling of job vacancies either by hire or by promotion, as well as to all training opportunities offered or made available to employees.

The following is a set of procedures which may be used to meet the requirements of §60-741.44(b):

1. Applicant records are maintained which indicate whether or not an applicant self-identified as an individual with a disability. This information can be retrieved for review by the Department of Labor and the contractor's personnel officials for use in investigations and internal compliance activities.
2. Records are maintained which indicate employees considered for competitive promotions within the organization. Employees are given the opportunity to voluntarily self-identify disability status.
3. Records are maintained regarding training opportunities granted to employees which include whether or not the employee has self-identified as an individual with a disability.
4. Any time a known applicant or employee with a disability is rejected for employment, promotion, or training, the company prepares a statement outlining the reason.
5. Requests for accommodation due to a disability are maintained along with the nature of the request and whether or not the accommodation was granted. If the accommodation was denied, the company prepares a statement describing the reason for denying the accommodation request. All accommodation records are treated as a confidential medical record in accordance with §60-741(d).

### **III. Review of Physical and Mental Job Qualification Standards (41 CFR 60-741.44(c))**

Southwest Tennessee Community College reviews the physical and mental job qualification standards of each job opening before it is publicly or internally posted to ensure that, to the extent that such qualification requirements tend to screen out qualified individuals with disabilities, they are related to the job(s) in question and consistent with business necessity and the safe performance of the job. The physical and mental qualifications are also reviewed as new jobs are established or job requirements are modified.

All job qualification requirements were found to be job related and consistent with business necessity and safety. Southwest Tennessee Community College will continue to review physical and mental job qualification requirements whenever a job vacancy will be filled through either hiring or promotion and will conduct a qualifications review whenever job duties change.

If Southwest Tennessee Community College at any time should inquire into an applicant's physical or mental condition or should conduct a medical examination, such inquiries or exams will be conducted in accordance with the Section 503 regulations and the information obtained as a result of the inquiry or exam will be kept confidential, except as otherwise provided for in the Section 503 regulations. The results of the examination or inquiry will only be used in accordance with the Section 503 regulations.

#### **IV. Reasonable Accommodation to Physical and Mental Limitations (41 CFR 60-741.44(d))**

Southwest Tennessee Community College will continue its longstanding commitment to making reasonable accommodation to the known physical or mental limitations of qualified individuals with disabilities unless doing so would impose an undue hardship on the operation of its business. The company also commits to engaging in an interactive process with the person requesting the accommodation (or the person's representative), as needed, to determine an appropriate accommodation.

If an employee with a known disability has significant difficulty performing his or her job and it is reasonable to conclude that the performance problem may be related to the known disability, the manager or appropriate HR personnel will confidentially notify the employee of the performance problem and inquire whether the problem is related to the employee's disability. If the employee indicates that the performance problems are related to his or her disability, the employee is asked if reasonable accommodation is needed.

In determining the extent of the company's accommodation obligations, the following factors are considered:

1. Business necessity; and
2. Financial cost and expense.

Southwest Tennessee Community College will also ensure that all requests for reasonable accommodation and any medical or disability-related information provided to Southwest Tennessee Community College will be treated as confidential medical records and maintained in a separate medical file.

## **V. Anti-Harassment Procedures (41 CFR 60-741.44(e))**

Employees and applicants of Southwest Tennessee Community College will not be subject to harassment because of disability. Retaliation, including intimidation, threat, coercion, or discrimination, against an employee or applicant because they have objected to discrimination, engaged or may engage in filing a complaint, assisted in a review, investigation, or hearing or have otherwise sought to obtain their legal rights under any Federal, State, or local EEO law regarding individuals with disabilities is prohibited. Any employee or applicant who believes that he or she has been subject to retaliation should promptly contact a manager in their chain of command, or promptly contact the EEO Coordinator for assistance.

This policy is made available for employees and applicants to view. Furthermore, Southwest Tennessee Community College monitors its environment for the presence of any forms of harassment, intimidation, or coercion and, where warranted, takes corrective action.

## **VI. External Dissemination of Policy, Outreach, and Positive Recruitment (41 CFR 60-741.44(f))**

Southwest Tennessee Community College undertakes appropriate outreach and positive recruitment efforts in order to effectively attract individuals with disabilities. In order to comply with the external dissemination of the EEO and Affirmative Action policy, the company provides written or electronic notification to all current subcontractors, vendors, and suppliers and will continue to do so on an annual basis. The company will also provide such notification to new subcontractors, vendors, and suppliers upon entering into a relationship with them. Southwest Tennessee Community College has informed its recruiting sources, including State employment agencies and local employment service delivery systems, of the company's policy concerning the employment of qualified individuals with disabilities and will notify them of employment opportunities as they become available. Southwest Tennessee Community College requested all recruiting sources to actively recruit and refer qualified persons for job opportunities. Southwest Tennessee Community College will include the equal opportunity clause concerning the employment of qualified individuals with disabilities in all non-exempt subcontracts and purchase orders. See Appendix A for detailed information regarding our outreach and positive recruitment activities during the AAP year.

## **VII. Internal Dissemination of Policy (41 CFR 60-741.44(g))**

Southwest Tennessee Community College has developed internal procedures to communicate its obligation to engage in affirmative action efforts to employ and advance in employment qualified individuals with disabilities. Procedures are designed to foster understanding, acceptance, and support among all employees and to encourage them to help Southwest Tennessee Community College meet this obligation.

The company realizes that an outreach program is ineffective without the adequate internal support from management personnel and other employees. In order to ensure greater employee cooperation and participation in the company's affirmative action efforts, Southwest Tennessee Community College has adopted policies and engaged in activities which are not limited to the following:

1. Copy of our *AAP for Individuals with Disabilities* is available for inspection to any employee or applicant upon request;
2. *EEO Policy Statement* and the *EEO is the Law* poster are placed on bulletin boards located throughout our facilities and work areas;
3. Electronic versions of the *EEO Policy Statement* and the *EEO is the Law* poster are clearly labeled and posted on the company's intranet;
4. Meetings with executive, management, and supervisory personnel are held to explain the intent of the policy and individual responsibility for effective implementation;
5. Managers and supervisors are provided with affirmative action and EEO training upon commencement of their management roles;
6. Policy is discussed during employee orientation;
7. Union officials and/or employee representatives are informed of these policies;
8. When employees are featured in publications, individuals with disabilities are included when available.

## **VIII. Audit and Reporting Systems (41 CFR 60-741.44(h))**

The Executive Director of HR & AA has the responsibility for the preparation and implementation of the AAP. Responsibility for the effective implementation of the AAP is also vested with each department manager and supervisor.

The following activities are reviewed at least annually to ensure freedom from discrimination against, or stereotyping of, individuals with disabilities in any manner. The results of the most recent self-audit are included in Appendix B. During the self-audit, the following activities are reviewed:

1. Recruitment, advertising, and job application procedures;
2. Implementation of hiring, promotion, upgrading, award of tenure, layoff, and recall from layoff;
3. Rates of pay and any other forms of compensation including fringe benefits;
4. Job assignments, job classifications, job descriptions, and seniority lists;
5. Awarding of sick leave, leaves of absence, or implementation of any other leave policies;
6. Participation in training, mentoring, or apprenticeship programs, and attendance at professional meetings and conferences; and
7. Application of any other term, condition, or privilege of employment, including participation in company-sponsored educational, training, recreational, and social activities.

Southwest Tennessee Community College's audit system includes periodic reports provided by Executive Director of HR & AA documenting Southwest Tennessee Community College's efforts to achieve its EEO/AAP responsibilities. Managers and supervisors are asked to report any current or foreseeable EEO problem areas and are asked to outline their suggestions/recommendations for solutions.

The following documents are maintained as a component of Southwest Tennessee Community College's internal audit process: documentation of self-audit; summary data of personnel activity including external job offers and hires, promotions, resignations, terminations, and layoffs by job group relating to individuals with disabilities; and an applicant flow log showing the name, race, ethnicity, sex, disability status, veteran status, date of application, job title, and action taken for

all individuals applying for job opportunities.

(41 CFR 60-741.45(e) and (f))**

When the percentage of individuals with disabilities in one or more job groups is less than the utilization goal, the company takes steps to determine whether and where impediments to equal employment opportunity exist. When making this determination, we assess personnel processes, the effectiveness of the outreach and recruitment efforts, the results of our affirmative action program audit, and any other areas that might affect the success of the affirmative action program.

The company develops and executes action-oriented programs designed to correct any identified problems areas. These action-oriented programs may include the modification of personnel processes to ensure equal employment opportunity for individuals with disabilities, alternative or additional outreach and recruitment efforts, and/or other actions designed to correct the identified problem areas and attain the established goal. Appendix C documents action-oriented programs Southwest Tennessee Community College will implement to address any problem areas.
