ACADEMIC PROGRAMS AND SERVICES

The Millington Center was established in 1972 when Southwest first offered business courses onboard the Naval Station. The Naval Station is now Naval Support Activity Mid-South. Southwest's partnership with Navy College has allowed us to offer a wide range of courses to support the educational needs of the greater Millington community, military personnel and their dependents, and Department of Defense employees.

Southwest is a member of the Servicemember's Opportunity Colleges, a consortium of nearly 1700 colleges and universities that provides military members and their families educational opportunities to meet their educational goals within the constraints of military life.

DEGREE PROGRAMS

The center offers all courses required for the A.A.S. Mid-Management degree, and all courses required for the Technical Certificate of Credit, Emergency Medical Technician-Basic. In addition, the center offers a selected number of general education courses

STUDENT SERVICES

Many of the student services offered by the College are available at the center. Services available include advising, admissions and registration, fee payment, and drop/add/withdrawal.

FLEXIBILITY

Many of the courses at the Center are offered in seven-week terms during the fall and spring semesters to allow maximum flexibility and scheduling options for our students.

LIBRARY

Center students have access to libraries at the Navy College, Union Avenue and Macon Cove campuses, Gill Center, and the Millington City Library.

DEVELOPMENTAL STUDIES

Selected Developmental Studies classes are offered each semester at the center.

HOURS OF OPERATION

The center offices are open Monday through Thursday from 8 a.m. to 5:30 p.m., and Friday from 8 a.m. to 4:30 p.m. Classes are normally scheduled from 5:30 to 10 p.m., Monday through Friday.

OUR FUTURE

Southwest is actively seeking an off-base location that will allow increased program and course offerings, student services, resources and ease of access for all North Shelby County and the greater Memphis region.

Southwest Tennessee Community College, a Tennessee Board of Regents institution, is an affirmative action/equal opportunity college. 0110520NEW03260MILLINGTON
