Notes:

Graduation and transfer-out rates are the Student Right-to-Know rates.

The graduation and transfer-out rate cohort includes all full-time, first-time, degree-seeking undergraduate students. The entering class includes all students coming to Southwest Tennessee Community College for the first time.

Retention rates are measured from the fall of first enrollment to the following fall semester.

Transfer-out rates are the percentage of students known to have transferred within 150% of normal time to completion.
