Please fill out this form completely and return by the end of the third week of classes. You may attach additional information if more space is needed.

1. Describe the work that the student will complete to earn honors credit for this course and how this work differs from the “traditional” work in the course. Be as specific as possible (i.e., state essential questions student will explore, name additional readings, or provide other relevant information).

2. Explain the timeline for completing the honors work, including frequency of student/faculty meetings (if applicable) and deadlines for submitting work.
